SEASON OUTLOOK

There are plenty of fresh faces practicing at the McCusker Sports Complex baseball field, many of which were not on Lynn University's national championship team just two years ago. Head coach Rudy Garbalosa hopes this accumulation of talent gets the Fighting Knights back to the national stage to compete for another NCAA Division II crown.

"With this recruiting class, I was really looking for guys who were passionate about baseball, who could be Lynn guys and who would really embrace the sense of camaraderie that being on a baseball team brings.

"I think we've done that with the 23 new guys on this team. Is there going to be an adjustment period? No doubt. But that's where we as coaches must excel and bring these guys together. With so many new players, they are going to need time to gel. But I'm excited about the enormous potential of this team and the journey they are going to take me on."

With so many new athletes, it could be easy to overlook some of the pieces already in place. The Fighting Knights have solid middle relief with the return of Sam Jones, who set the program record for appearances, while the offense welcomes back five of the top-seven hitters, including Dane Derstine (second on the team with a .363 batting average) and Patrick Roedel (tied the program record with a 23-game hitting streak).

Pitching

- Just six pitchers from last season's squad returns: seniors Sam Jones and Carl Gorman, juniors Andrew Fabian and Ted Quinn and sophomores Ryan Digiose and Eric Pfefer
- Jones broke the 12-year old program record for appearances in a season with 31
- Nearly half of the roster is made up of pitchers with 17 of 38 players slated to take the mound
- Eleven of the 17 pitchers are new to the team with eight juniors and three freshmen

Garbalosa's View...

"We have such great depth and experience on the mound. There are plenty of proven guys on our staff who have come in with talent and will only develop into better pitchers as the season goes on. We have a great mix of right and left-handed pitchers that we'll be to use for match-ups that we haven't had in the past.

"Our starters do a great job of keeping hitters off balance by throwing a variety of different types of pitches. They all have starting experience from their previous school and I would say there are 6-7 guys fighting to be in our rotation.

"Middle relief starts with Jones but guys who don't get into the rotation will be asked to take up roles in relief. A lot of players would shy away from this role but the players on our team are relishing the chance to help out in any way they can.

"When it comes down to closing down the ninth, I really think that Jason Whelan is going to be the guy. He's had success as a closer and has the mentality and make-up for a guy who needs to come in with the game on the line and shut down the opposing team."

Outfield

- Outfielders Leo Carrillo and Richie McVey get help in the form of Alex Bello, Phil Mannelly and Austin Smith
- Last season's outfielders recorded the fewest stolen bases in the Garbalosa era
- Fighting Knight's outfielders contributed 16 outfield assists last year

Garbalosa's View...

"We are back to having speed in the outfield this season. Our outfielders are going to cover a lot of ground in our cavernous field, and that is going to also benefit our pitching staff. With new bats that have more gap than home run power being used in Division II this year, defense becomes more important. Our outfield has the ability to take away normal hits while limiting would-be doubles and triples into singles and doubles.

"On the flip side of the bat issue, these guys are table setters that will stretch singles into doubles and doubles into triples. They have great plate discipline, aren't afraid to take pitches, draw walks and steal bases."

Infield

- Just three infielders, Johnny Broderick, Jazz Machin and Matt Noble, return inside the diamond
- Of the six incoming student-athletes, five (Anthony Boza, Mike Diorio, Eric Herrera, Kyle Radzewski and Wes Soto) are juniors and one (David Lee) is a freshman
- Both Herrera (New Mexico State) and Soto (Florida International) have NCAA Division I experience
- Last season, 25 of team's 43 home runs came from infield players

Garbalosa's View...

"This area of our team is the one with the most versatility. Nearly every infielder can play multiple positions, with some even having experience at all four stops. These guys know the game and their great speed defensively allows for them to have great range.

"Our speed up the middle is going to be a benefit on the offensive end as well. I can't say enough about our team's speed because it's the biggest difference than from previous years. It is going to allow us to get back to the way we played in the past by testing opposing team's defenses. There are guys who are going to beat out routine ground balls.

"That doesn't mean that they aren't going to hit for power because we have several guys around the diamond that can mash the ball out of the yard. First and third have traditionally been our power positions and that should continue this year while our middle infielders will be our speed guys, with a hint of power."

Catcher

- Least experienced position due to the fact Dane Derstine and Patrick Roedel platooned behind Gold Glover Kyle Holloway

- Derstine and Roedel combined to throw out 28% of base runners last season
- Roedel tied the school record held by George Branch and Matty Wess with a 23-game hitting streak
- Derstine was second on the team with a .363 batting average
- Danny Herzog was the top pinch hitter with LU, batting .333 in that role

Garbalosa's View...

"You know, we've got three guys who can do it all behind the plate. Dane and Patrick both proved last season they could handle the pitching staff and Danny did a great job getting clutch base hits when we needed them most.

"I like the fact that all have been here a year but don't have the wear and tear that a catcher would have. That's the benefit of having a Gold Glove caliber catcher here the past four years. These guys, though, are all great defensive catchers, are very accurate and have the field general mentality when they are behind the dish. Dane, Patrick and Danny can all hit and it's a great problem to have with three extremely capable catchers at your disposal.

Schedule

- Seven of the Fighting Knights opponents are ranked in the top-30 of the nation
- Lynn goes on two big road trips: one to South Carolina where they face top-25 programs Mount Olive and Grand Valley State; and another at West Alabama, a perennially nationally ranked team
- Five teams from the Sunshine State Conference advanced to the NCAA South Region Tournament
- Lynn has home series' against Rollins, Florida Southern, Eckerd and Nova Southeastern and hits the road for Saint Leo, Tampa, Florida Tech and Barry
- New opponents on the schedule this season are Lander, Mount Olive, Grand Valley State, Hillsdale and Wilmington

Garbalosa's View...

"I say this every year but we are taking on a very ambitious schedule. Our two major road trips come right out of the gate and will pit us against some of the top competition in the nation. Two teams are ranked in the top-10 in separate national polls while our other two opponents have reached the NCAA Tournament in seasons past.

"The Sunshine State Conference speaks for itself. I would argue that it is the most difficult Division II conference in the nation. That's why I make our non-conference schedule so hard; to prepare us for battle in the SSC and for the postseason.

"I think we have a winning formula here this season with the talent we have assembled coupled with the passion for baseball that burns inside these guys. The foundation was set with our returners and our new players are going to help us take off. We will mesh and grow together and get better as the season unfolds."

THE COACHES

RUDY GARBALOSA

Rudy Garbalosa begins his 11th season as the skipper of the Lynn University baseball team. The program's all-time winningest coach, he added much more to his legacy in 2009 when he guided the Fighting Knights to their first NCAA Division II National Championship and the school's 19th overall. Garbalosa holds an all-time record of 312-240-1 (.565) and 112-114 (.496) in Sunshine State Conference play. Prior to him being named head coach, he served two years as an assistant under former LU mentor Greg Kilby.

Garbalosa is also the only coach in the school's history to tally six years of 30+ wins in his career. Lynn has recorded 30+ victories in 11 of the program's 27 seasons. The man known as "Garbs" has coached three Sunshine State Conference Player-of-the-Year selections, 28 All-SSC and 25 All-South Region honorees and five All-Americans.

The 2009 season was special from the start as the Blue & White boasted 14 seniors. Lynn shattered 15 records under the direction of Garbalosa, including posting a school mark of 46-16 overall. The Knights became the first team since Tampa in 2006 to go undefeated through NCAA regional and national play while going 25-7 against teams that were nationally ranked. In addition, the ABCA/Rawlings National Coach of the Year oversaw the development of SSC Pitcher and Male Student-Athlete of the Year Dan Wright, who lead the NCAA in victories with 15, as well as Kansas City Royals draftee Gabe MacDougall.

Boasting one the top offenses the program has ever seen in 2008, Garbalosa watched as his team mashed a school record 83 home runs while scoring 425 runs, second most at LU. The defense also soared to new heights as it committed the fewest errors (78) and recorded the best fielding percentage (.960) in the Knights history. Adding icing to the cake was Lynn finishing first in the nation in double-plays per game (1.15) for the second time under his watch.

In 2007 he posted a third consecutive winning record (32-24) and narrowly missed a return trip to the NCAA South Regional Tournament. The Fighting Knights had many positives through the season, including winning their first SSC series against two-time defending NCAA Division II National Champions Tampa, earning a program-tying five SSC Players of the Week and having Nicolas Boisvert named the program's first Rawlings/ABCA and Daktronics First Team All-American.

Always known for its stellar defense, Lynn finished fourth in the nation in double-plays per game (1.09), marking the second consecutive year it finished in the top-five.

RUDY GARBALOSA

Although the record was consistent with year's past, 2006 proved to be Garbalosa's most successful season as he led the Fighting Knights to their first ever NCAA post-season appearance and victory, a 12-7 win against Albany State.

Lynn led the nation in double-plays per game (1.21), set season records for triples (17) and total bases (931) and finished in the top-five in school history in hits (2nd-594), RBI (2nd-370), walks (2nd-286), home runs (3rd-65) and doubles (5th-108). The Knights were also the only team in the nation to beat NCAA Division II National Champions Tampa twice during the season.

Garbalosa rebounded in 2005 after a difficult 2004 season to tie his career-high in victories and set a new program record for Sunshine State Conference wins, helping the Blue and White finish 35-21 overall and 14-10 in the SSC.

The 2005 squad finished fourth in the Sunshine State Conference, swept the season series against NCAA Division II National Champions Florida Southern and saw five members earn SSC Player-of-the-Week honors, tying a program record.

In 2003, Garbalosa led the Knights to 35 wins and 13 SSC wins, the highest totals since 1996 when the team won 41 games. The 13 wins set a then-program record for the most conference wins in a season.

A 1990 Long Beach State graduate with a degree in mathematics, Garbalosa lettered with the 49er for three seasons as a second baseman. The Los Angeles-area native began coaching right away, serving as the head coach at his alma mater, Bishop Montgomery (Calif.) High School for four seasons before becoming a Division I assistant at Loyola Marymount. There, he spent two seasons as the Lions' third base coach and academic advisor.

Garbalosa moved to El Camino (Calif.) College in 1997 where he spent one season as the top assistant coach for the Warriors. The 36-year old Garbalosa then relocated to the east coast, serving as the head coach at LaSalle High School (Miami, Fla.) before coming to Lynn in July 1998. After two seasons as the Knights' recruiting coordinator he was named head coach when Kilby departed to become an assistant at Maryland.

During the past four seasons, Garbalosa has served as the South Region Chairman for the American Baseball Coaches Association All-American Committee and most recently was named the national chair for the ABCA All-America Committee.

Born Rudy Garbalosa on September 26, 1967 in Los Angeles, he is married to the former Cristina Cuevas. The Garbalosa family includes son Luis, 15, and daughter Natalie, 10, and resides in Boca Raton. In his spare time, he enjoys playing golf and reading.

DONOVAN O'DOWD

Donovan O'Dowd is in his sixth season with the Lynn University baseball team and third as the top assistant. In addition to his duties working with catchers, aiding with in-game strategies and coaching third base, he is in his third year as the Fighting Knights recruiting coordinator. Prior to taking his place in the dugout and helping LU win a National Championship, O'Dowd played two seasons as a catcher for the Blue and White.

During his time as a coach, the Knights have become one of the premier defensive teams behind the plate in the Sunshine State Conference. Under his tutelage catcher Kyle Holloway led the SSC in baserunners thrown twice, gunning down 56% of stolen base attempts (52-of-93) in that time, almost double the amount of the next catcher.

A career .309 hitter, O'Dowd batted .342 his first season with the Knights before battling through injuries in 2005. The Torrance, Calif., product reached base safely in his first 22 games and in 28 of the 32 games he played as a senior. He improved his fielding percentage to .990 and caught 31.6% of base stealers.

Born Donovan Wesley O'Dowd on June 23, 1983 in Culver City, Calif., he graduated from Lynn University with a degree in Communications in June of 2006 and is currently pursuing a Masters in Business Administration.

BEAU McMILLAN

Beau McMILLAN is in his third season on the bench with Lynn University following stints in the minor leagues and independent baseball. In addition, McMILLAN is one of the top offensive players in Knights' history after four highly successful years with the Blue and White led to him being drafted by the Florida Marlins in the 39th round of the 2004 draft. With Lynn, McMILLAN is responsible for first-base and hitting coaching duties while helping with the development of both the infield and outfield.

In his first year with LU, he oversaw eight team offensive records shattered as LU won its first national title. The Knights broke marks for at-bats, hits, runs batted in, total bases, runs, walks, on-base percentage and sacrifice flies while also finishing in the top-three for doubles, slugging %, sacrifice hits, batting average and home runs.

The only player in program history to garner First Team All-Sunshine State

Conference accolades twice, McMILLAN left LU with program records for doubles (49), total bases (394), runs scored (200) and stolen bases (77). He also finished in the top-five for games played (196) and started (194), hits (251), at-bats (758), triples (8), home runs (26) and runs batted in (119).

McMILLAN began his professional career with the Gulf Coast League Marlins before being twice promoted to the Jamestown Jammers of the New York Penn League and the Greensboro Grasshoppers of the South Atlantic League. Before his playing days were through, he had advanced to the Marlins Triple-A affiliate, the Albuquerque Isotopes.

Following his playing career, he worked with Perfect Competition, a company that promotes performance enhancement, skill and professional development and sports nutrition.

A 2004 graduate with a degree in business administration, McMILLAN resides in Delray Beach.

LYNN UNIVERSITY

UNIVERSITY FACTS

About the University...

Lynn University is an independent, nonprofit, higher education institution, located in Boca Raton, Fla., which stresses individualized learning, innovative approaches and an international focus among its students and faculty.

Founded in 1962, the university originally received accreditation by the Southern Association of Colleges and Schools in 1967 and has upheld the high standards of the committee ever since. Today, more than 2,400 students from more than 80 nations and nearly every state come to receive Lynn's unique learning experience and educational value. With one-quarter of its population made up of international students, Lynn has been at the top of the list of "highest number of international students" in U.S. News and World Report's Guide to Colleges for the last four consecutive years.

Lynn offers a nationally recognized undergraduate program that combines innovative approaches to liberal education with professional, career-focused degree programs. In addition to its colleges of business, international communication, arts and sciences, hospitality management and education, the university houses specialty programs including the Conservatory of Music, School of Aeronautics, a Flight Academy that offers flying lessons and pilot licenses to the general public and the Institute for Achievement and Learning, which is an international pioneer in developing successful teaching strategies for students with learning differences.

Through the Dialogues of Learning, Lynn's university-wide core curriculum, students develop the essential skills, knowledge and habits of heart and mind that prepare them for a successful career, personal fulfillment and engaged citizenship in a global society.

In Lynn's professional degree programs, students have the opportunity to integrate specialized knowledge and skills with hands-on, experiential education, a hallmark of the Lynn undergraduate experience.

Lynn's faculty are gifted educators dedicated to teaching and fostering a passion for learning in every student. With a faculty-student ratio of 17 to 1 and an average class size of between 15 and 20 students, the classroom is a learning environment in which students are an active participant.

Focusing on individual needs and aspirations, Lynn University also offers students the chance to self-design their own major as well as accelerate their degree program and graduate within three years.

Lynn's mission is to inspire students to fulfill their individual potential and achieve success in their chosen profession and the community. As an intentionally small, learning-centered community, the Lynn educational experience is designed to focus exclusively on students' unique needs, aspirations and goals while also celebrating the richness that a diverse, international community offers for personal, intellectual and professional

development.

The university's academic programs also include specific, specialized offerings that can further enhance the educational experience, such as the Honor's Program for academically talented students, and the Institute for Achievement and Learning, a nationally recognized program that provides a vast array of individualized services for students with specific learning disabilities.

About the Campus...

Lynn University is situated on a picturesque 123-acre campus, landscaped with indigenous flowers and tropical trees among seven freshwater lakes. Students thrive in the university's state-of-the-art contemporary facilities, which include: classroom buildings, men's and women's residence halls, a library, sports and recreation center, student center, international academic center, Christine's gourmet dining facility, fitness center, auditorium, chapel and dining hall, all of which are air conditioned. In addition, Lynn University's campus also features a

new tennis complex, basketball and sand volleyball courts, an outdoor swimming pool and soccer and baseball fields. All of this is located only three miles from the Atlantic Ocean. Lynn University is also proud of its reputation as one of the safest university campuses in the country.

About Boca Raton...

Located on Florida's exclusive "gold coast," Lynn University is situated between Palm Beach and Fort Lauderdale, in the heart of Boca Raton, which offers a cosmopolitan atmosphere with hometown appeal. The fast-growing city attracts Fortune 500 companies, providing excellent internship and employment opportunities. Transportation is also easily accessible with Boca Raton centrally located in close proximity to three international airports.

Lynn University President **DR. KEVIN M. ROSS**

Dr. Kevin Ross was named the fifth president of Lynn University, succeeding his father, Dr. Donald E. Ross, who was Lynn's president for the past 35 years. He took office July 1, 2006.

Kevin Ross has held numerous administrative positions in educational institutions, including Lynn. In his most recent role preceding his presidency as chief operating officer (COO), Kevin

initiated and oversaw completion of Lynn's long-range strategic plan with the aid of Dr. George Keller, noted higher education strategic planning expert and author of *Academic Strategy: The Management Revolution in American Higher Education*. The long-range plan titled, "Lynn 2020," provides a blueprint for developing Lynn University over the next 15 years (www.lynn.edu/2020).

Kevin came to Lynn in 1999 as associate dean of the Eugene M. and Christine E. Lynn College of International Communication, where he facilitated installation of its state-of-the-art broadcast journalism curriculum, studios and equipment.

Kevin also served as director of special projects, director of development, and vice president of institutional advancement before assuming the COO position in 2004. Under his guidance, the institutional advancement division has increased in size, scope and achievements. It has embarked on ambitious plans to raise funds to support several new campus expansion projects and academic program enhancements.

FACILITIES

The epicenter of the Fighting Knights Athletics Department, the Count & Countess de Hoernle Sports and Cultural Center sits in the heart of the Lynn University campus. Completed in 1993, the center is the home court for the Lynn University volleyball and men's and women's basketball programs. Lynn's 18 National Championship banners hang proudly from its rafters.

Housing four team locker rooms and one officials locker room, two athletic training rooms and laundry facilities, the de Hoernle Center also contains offices for all of Lynn's coaches and administrators. During volleyball and basketball games fans can relax in the retractable chairback seating on one side or sit close to the teams on the retractable bleachers. The combined seating capacity is 1,000.

The front lobby is home to the Michael & Julie Chadwick Wall of National Champions, a space that has plaques recognizing the Fighting Knights National Championship teams, and six trophy cases which hold the many NAIA and NCAA individual and team honors of Lynn's 11 programs. The de Hoernle Center is not just used for athletics; the gym floor is converted at the start of each academic year for Orientation and at each year's conclusion for Commencement.

A new addition was welcomed into lobby of the de Hoernle Center in 2008, the Athletic Hall of Fame. Thirty former student-athletes and administrators are honored on the wall for their accomplishments while with the Blue and White.

The first basketball game held on the floor came on Dec. 28, 1993, as the LU women downed Michigan-Dearborn 99-72. The Knights men's team played its first game on the floor two days later, besting Findlay 103-93 on Dec. 30, 1993. The first-ever Lynn volleyball game at de Hoernle was on Sept. 12, 1996.

Home to the Fighting Knights' outdoor sports, the McCusker Sports Complex is the site of the baseball, softball, soccer and tennis teams at Lynn University and has been the host of Sunshine State Conference and NCAA National and Regional Tournaments.

The only home Lynn soccer has ever known, the McCusker Sports Complex Field has seen its share of shining moments in Fighting Knights soccer history. With its plush Bermuda grass playing surface, the field is nestled on the southwest corner of Lynn's campus. Six national championship teams have played on the soccer field formerly known as "the graveyard."

Team benches and accommodations for the media, game staging personnel and administrators are located on one side of the field with two sets of covered bleachers and a concession stand on the other side. From 1996 to 1998, the field was the place to be to witness NCAA Division II National Finals.

The Lynn women took part in the 1996 NCAA championship game while the Fighting Knights men took on Cal State-Bakersfield in the 1997 title tilt. The Lynn women captured the 1998 final on the field, downing Sonoma State 3-1 on Dec. 6, 1998. Recently the men's soccer team defeated Lander 8-0 on Nov. 10, 2005 in the NCAA Division II Quarterfinals, the second largest margin of victory in the program's illustrious post-season history.

Lynn's baseball field is located on the southeast corner of campus, sharing a border with Military Trail and Potomac Road. Long home runs can be seen crossing mid-day traffic as the Blue and White play all of their games during the day. Recent facelifts to the field include a new scoreboard in right field with the 2009 NCAA Division II National Championship banner, new Bermuda grass infield and outfield and a crushed brick warning track. Dimensions are 315-right field, 355-right center, 405-center field, 365-left center and 325-left field.

The softball field is located adjacent to the baseball field and share outfield bleachers. This field saw a program record 88 home runs sail over its fences in 2005, which are 190 down the lines and 220 to straightaway center field. The softball field received a face lift in 2006 with the possibility of a new stadium in the near future.

Boasting a combined seven national championships and 12 Sunshine State Conference titles, Lynn University's men's and women's tennis programs will usher in a new era beginning in 2009 with the Perper Tennis Complex. The state-of-the-art million-dollar complex contains a total of six courts, covered chair-back stadium seating, an electronic scoreboard and is the first outdoor lighted facility on the Lynn campus.

Although not on situated on campus, the Lynn men's and women's golf team take advantage of some of the best courses that Boca Raton has to offer. The women's program practices at three local golf clubs, Boca Lago Country Club (www.bocalago.com), Boca Woods Country Club (www.southfloridacountryclub.com) and Boca Delray Country Club (www.bocadelray.net) while the men's squad calls both Ocean Breeze Golf & Country Club (www.oceanbreezegolf.com) and Boca Country Club (www.bocaresort.com/golf) home.

Sunshine State Conference

Founded in March of 1975, the Sunshine State Conference has risen from a single-sport organization to become the NCAA Division II "Conference of Champions." Started as a basketball conference, The SSC has since grown steadily in sports played, membership and national prominence. A weekly check of national rankings in nearly any Division II sport proves the point, as SSC member institutions consistently find themselves ranked amongst the nation's elite.

Now with nine full members, the SSC is the proud owner of some 74 NCAA Division II National Championships in baseball, men's basketball, men's and women's golf, softball, men's and women's tennis, men's and women's soccer and volleyball. The Orlando-based league recently added to its already full trophy case with Nova Southeastern University's first women's golf title and Lynn University claiming its first baseball national championship.

The SSC currently crowns regular-season champions in volleyball, men's and women's soccer, men's and women's basketball, baseball and softball. The league also administers season-ending tournaments in men's and women's soccer, men's and women's basketball, men's and women's golf, men's and women's tennis and women's rowing.
